MEMORANDUM FOR: Executive Secretary  
National Security Council

SUBJECT : Revised language for NSCIB No. 1, Paragraph 17,  
and NSCIB No. 2, Paragraph 4

REFERENCE : NSC Action No. 1373, Paragraph 5.(1) and (2)

As directed in your memorandum of March 17, 1954, I have re-examined the proposed language for paragraph 17 of NSCIB No. 1 and for paragraph 4 of NSCIB No. 2, and have discussed their wording with the Members of the Intelligence Advisory Committee. I believe that the points raised in the National Security Council discussion of these paragraphs will be met by the following revised paragraphs, in which the changes in language have been underlined:

NSCIB No. 1, Paragraph 17:

The Director of Central Intelligence shall, in consultation with members of the Intelligence Advisory Committee and with other appropriate offices, ensure the development of policies, procedures, and practices for the protection of intelligence sources and methods from unauthorized disclosure. Each department and agency shall be responsible for the protection of intelligence sources and methods within its own organization. The Director of Central Intelligence shall call upon the departments and agencies, as appropriate, to investigate within their department or agency any unauthorized disclosure of intelligence sources or methods.

NSCIB No. 2, Paragraph 4:

The Central Intelligence Agency may collect abroad intelligence information in support of assigned functions or as a by-product of the assigned functions: Provided,

EL

That this collection involves no undesirable duplication of any of the specific assignments in paragraphs 2 or 3 above, and provided, That any such overt collection is coordinated with the Department of State or with the Chief of Mission.

MEMORANDUM FOR: THE DIRECTOR

Attached hereto is the proposed action on the revisions of Paragraph 17, NSCID #1 and Paragraph 4, NSCID #2. You may wish to add a paragraph to this letter before signature calling attention to the fact that you may wish to point out to the President that the action deals only with the protection of intelligence sources and methods for which you have statutory responsibility and not with the more ordinary disclosures of classified information.
